

## Unique apartment on the seafront with large terrace

Completely renovated

Magnificent fully renovated apartment located in the Bahía sector on the seafront with a magnificent and unique view. When we enter, you can see a spacious and bright living-dining room that connects with the set of rooms in the apartment. Next to it, we find a spacious, bright and open-style kitchen. It has two very spacious rooms and a fully equipped bathroom. The living room gives access to a large terrace overlooking the sea where you can enjoy with the family. Extras: the apartment is equipped with 2 electric shutters, PVC windows... The apartment is very well located in a quiet area and close to the shops. Private garage for €35.000.
